STATEMENT OF FACTS UNDER 37 C.F.R. § 1.47(a)

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

Jeffrey K. Berger hereby states as follows:

1. I am authorized by Motorola, Inc (hereinafter "Motorola"), the assignee of the above-identified patent application (hereinafter "the present patent application"), to make this statement in my capacity as patent counsel for Motorola. A copy of the assignments executed by all of the joint inventors, except for Ms. Marie White, are attached hereto as Attachment A.

2. I make this declaration to provide facts known to me or made known to me concerning Motorola's inability to find or reach Ms. Marie White to join in the application and to sign a declaration and assignment for the present patent application after having made a diligent effort to do so. Ms. Marie White is one of six co-inventors of the present patent application. The other five co-inventors (Carlos I. McEvilly, Manjmath A. Chatterjee, Jin Guo, Jens Nagel, and Rudolf Schusteritsch) have executed declarations for the present patent application, for themselves and on behalf of their nonsigning coinventor, Ms. White. Copies of the declarations executed by all of the joint inventors, except for Ms. White, are submitted herewith as Attachment B.

3. At the time of invention of the subject matter described and claimed in the patent application, Ms. White was employed by Motorola as a Student Intern. The invention was made within the course and scope of Ms. White's employment with

Motorola. Subsequently, Ms. White left her internship and returned to her studies at Stanford University.

4. Ms. White was under an obligation to assign patent rights to Motorola for inventions made within the course and scope of her work at Motorola as evidenced by a copy of her employment agreement (Attachment C).

4. Ms. White's last-known residential address is:

P.O. Box 17015
Stanford, CA 94309

5. On or about November 12, 2003, a letter was sent to Ms. White's last known address requesting a reply concerning her involvement in the patent filing process. A copy of the November 12, 2003, letter to Ms. White is enclosed herewith as Attachment D. A similar letter to Mr. Schusteritsch was successful in re-establishing contact with him.

7. Attempts to obtain an updated address by contacting her former co-workers, Motorola management, and email to her school email account have been unsuccessful in establishing contact with Ms. White.

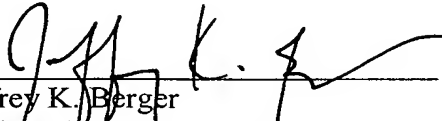

8. As of this date, I believe a diligent effort has been made to obtain Ms. White's signature on a declaration for the patent application.

9. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

10. A petition fee in the amount of \$130 in accordance with 37 C.F.R. §1.17(h) is submitted herewith.

On the basis of these facts and for the foregoing reasons it is respectfully requested that the Commissioner accept the declaration submitted herewith accepting the signatures of the other co-inventors on behalf of Ms. Marie White.
